Employment

Dutton Polygraph Services, LLC, Blythewood, SC.

February 2014 – Present: Provide services to customers both domestically and internationally. These services include: conducting polygraph examinations, providing independent quality control reviews of polygraph examinations, conducting quality assurance reviews and inspections of polygraph programs, and providing training and lectures around the world on a variety of topics.

National Center for Credibility Assessment (NCCA), Ft. Jackson, SC.

May 2010 – January 2014: Special Agent/Chief, Threat Analysis and Strategic Support Branch (TASS). TASS is the focal point for polygraph and credibility assessment, countermeasure detection and awareness activities and provides polygraph support in the form of operational and technical advice and assistance to strategic counterintelligence and law enforcement efforts. Provide direct input to national level directives and remain responsible for the budget of the TASS Branch.

National Geospatial-Intelligence Agency (NGA), Reston, VA

October 2009 – May 2010: Special Agent/Chief, Personnel Security Division. Responsible for all Personnel Security issues within NGA. Managed five Branches; Adjudications, Investigations, Technical Support, Special Actions, and Polygraph. Represented NGA on all matters dealing with Personnel Security. Responsible for the budget build for the Personnel Security Division and provided direct input to Department of Defense Directives (DoD) concerning the above listed branches.

May 2007 – May 2010: Special Agent/Chief, Polygraph Branch, NGA. Responsible for all Credibility Assessment issues conducted for NGA, requiring statistical data collection and briefings to senior leaders within the government. Responsible for the budget build for the Polygraph Branch and provided direct input to DoD directives concerning polygraph related issues. Represented NGA as the subject matter expert for all Credibility Assessment issues.

DoD Polygraph Institute (DoDPI), Ft. Jackson, SC

December 1996 – May 2007: Special Agent/Criminal Investigator/Instructor (GS-1811). Responsible for teaching Psychophysiological Detection of Deception (PDD) topics to basic and advanced students. Conduct polygraph examinations in support of operation requirements.

Headquarters US Army Intelligence and Security Command (USAINSCOM), Ft. Meade, MD

June 1995 - December 1996: Special Agent/Polygraph Quality Control Officer (GS-132). Performed Duties as Quality Control Officer, provided statistical information to members of the U.S. Congress, trained new examiners to full certification, provided budget input for mission support, provided input to DoD and National Directives, and conducted polygraph examinations on unresolved sensitive cases on an as-needed basis.

Detachment B, A Company, 18th Military Intelligence Battalion, 66th Military Intelligence Brigade, Augsburg Germany

July 1992 - June 1995: Special Agent/Officer in Charge/European Polygraph Program (GS-132) Supervised 10 polygraph examiners for the European polygraph program, trained examiners to full certification, managed all budget requirements for European Polygraph Program, provided input to DoD and National Directives, and conducted polygraph examinations when required.

C Company, 527th Military Intelligence Battalion, 66th Military Intelligence Brigade, Berlin Germany

September 1990 - July 1992: Special Agent/Officer in Charge/Berlin Field Office (GS-132-13). Supervised two polygraph examiners for the Berlin field office and conducted polygraph examinations.

902nd Military Intelligence Battalion (CI Tech), US Army Intelligence and Security Command (USAINSCOM), Ft. Meade MD with duty at DoD Polygraph Institute (DoDPI) Ft. McClellan, AL
